Washington Gas Energy Services, Inc. (WGES) provides Fuel Resource Mix information for the electricity supplied to WGES' Delaware customers in accordance with the Delaware Public Service Commission's rules governing certified electricity suppliers. This data is updated on a quarterly basis. WGES' fuel resource mix is derived from the PJM regional average and reflects the addition of Renewable Energy Credits (RECs) purchased in compliance with Delaware's Renewable Energy Portfolio Standard (RPS) requirements. For questions please contact 1.888.884.WGES.
